A letter from Tri-County Principal Dana Walsh

Ms. Dana Walsh
Principal

Dear Class of 2024,

While we call today's event a graduation, other schools refer to this same ceremony as a commencement exercise. This is because this event marks both an ending and a beginning. Although your tenure at Tri-County is coming to a close, you are at the precipice of very exciting times.

What you carry from Tri-County leaves you well-equipped to enter this next phase: a deep knowledge of problem solving, an unparalleled capacity to apply skills to real-world contexts, highly developed interpersonal skills and an ability to persevere. You should move forward with confidence and an assuredness that you are ready for what comes next; your family and the faculty here certainly believe in you. They have seen firsthand the multitude of ways in which you have grown.

So, as you say goodbye to Tri-County and your K-12 years, use the lessons learned from school and family as your compass. Set your direction and see where the road takes you. Start with the end in mind or take this ending to start anew. Just remember that we will always want to know where you go from here so reach back, tell us, and let us tell others about the many and varied ways in which the conclusion of the Class of 2024 's tenure was just the start of so many great things for you!

Many Congratulations,
Dana Walsh
Principal

My Wish

I hope the days come easy and the moments pass slow
And each road leads you where you wanna go
And if you're faced with a choice, and you have to choose
I hope you choose the one that means the most to you
And if one door opens to another door closed
I hope you keep on walkin' till you find the window
If it's cold outside, show the world the warmth of your smile
But more than anything, more than anything
My wish, for you, is that this life becomes all that you want it to
Your dreams stay big, your worries stay small
You never need to carry more than you can hold
And while you're out there getting where you're getting to
I hope you know somebody loves you, and wants the same things too
Yeah, this, is my wish

Congratulations, Hailey!!!
You amaze us every day and we could not be more proud of you. You've always written your own story and we are honored to have a front row seat, cheering you on as you start your next chapter. We are lucky & blessed that you are ours, and we will **always** love you more.

Isaac Batista Culinary Arts

For my son Isaac: There are no words to express just how proud I am of you, so I will leave you with this…

"I hope the days come easy and the moments pass slow,
And each road leads you where you want to go.
And is you're faced with a choice, and you have to choose,
I hope you choose the one that means the most to you.
And if one door opens to another door closed,
I hope you keep walkin' till you find the window.
If it's cold outside, show the world the warmth of your smile."

"But more than anything, more than anything,
My wish, for you, is that life becomes more than you want it to.
Your dreams stay big, your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting where your getting to,
I hope you know somebody loves you, and wants the same things too.

Yeah, this, is my wish."

"I hope you never look back, but ya never forget,
All the ones who love you, in the place you left.
I hope you always forgive, and you never regret,
And you help somebody every chance you get.
Oh, you find God's grace, in every mistake,
And always give more than you take.

But more than anything, more than anything,
My wish, for you, is that life becomes all that you want it to.
Your dreams stay big, your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting where your getting to,
I hope you know somebody loves you, and wants the same things too.

Yeah, this, is my wish."

Andrew Nelson Engineering

We are bursting with pride and joy as we extend our heartfelt congratulations to our son, Andrew Nelson, on his remarkable achievement of graduating from Tri-County Regional Vocational Technical High School, Class of 2024. Andrew's journey has been one of dedication, perseverance, and unwavering commitment to his education. From the first day he walked through the doors of Tri-County, we witnessed his passion for learning and his determination to excel in both academics and vocational training. As parents, it is immensely rewarding to see our son embrace challenges, overcome obstacles, and emerge as a confident and capable young adult. Andrew's time at Tri-County has not only equipped him with valuable skills but has also instilled in him a strong work ethic and a sense of responsibility that will undoubtedly serve him well in all his future endeavors.

We would like to express our sincere gratitude to the entire Tri-County community – the dedicated teachers, staff, and fellow students who have played a pivotal role in shaping Andrew's educational experience. Your guidance and support have been instrumental in his growth and success. As Andrew embarks on this new chapter of his life, we look forward with excitement to the opportunities and adventures that await him.
